

## Publications and resources for sale

### Are You Ready? (DVD)

This DVD includes the popular animation and award-winning animation *Tom's Toilet Triumph*. In addition, the DVD includes three short variations of the animation, with toileting sequences that can be chosen for a girl, and two versions for a boy; 'standing for a wee' and 'sitting for a wee'. All these present a story about learning to use the toilet for both bladder and bowel motions, with realistic step-by-step instruction. The DVD is suitable for all ages.

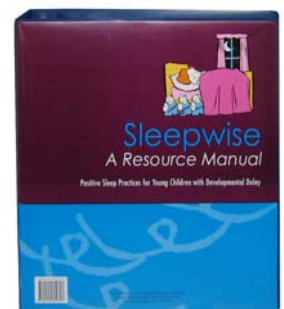

Price: \$28.60 (incl GST) plus P&H

### Sleepwise—A Resource Manual

*Sleepwise—A Resource Manual* is a valuable resource for allied health workers supporting the families/carers of young children (under six) with developmental delay. It outlines a comprehensive approach to supporting children's sleep, including individual sleep plans and family support. *Sleepwise* comes with supplementary materials, including a CD containing PowerPoint presentations/overheads etc.

Price: \$220.00 (incl GST) plus P&H

### Toilet Time—a Resource Manual

*Toilet Time—A Resource Manual* is a resource for health professionals, educators and libraries. It is used when conducting workshops or developing individual programs for parents/carers who are toilet training young children with developmental delay. Resources include: checklists, resource sheets, visual cue cards, story books, parent/carer booklet and CD with PowerPoint and overhead presentations.

**NB:** This resource does not include the *Tom's Toilet Triumph* animation from the *Are You Ready?* package. The animation is available for separate purchase on DVD.
